PORTFOLIO

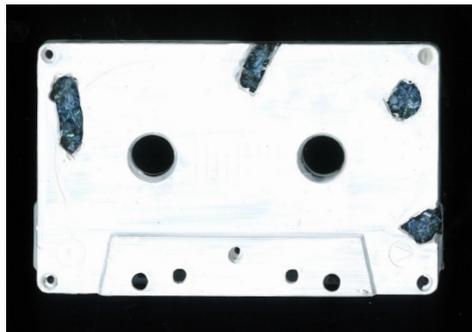

Artist box

Creation of an editorial box set on American artist Daniel Arsham in order to connect my interpretation and graphic language with his visual art.

2024

Box 48 x 40 cm

Cassette 10.16 x 6.35 cm

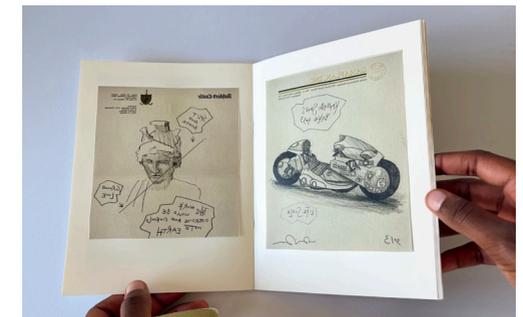

Artist box ✨

Creation of my own card game and a collection of sketches, always in line with Daniel Arsham's artistic and graphic universe

2024

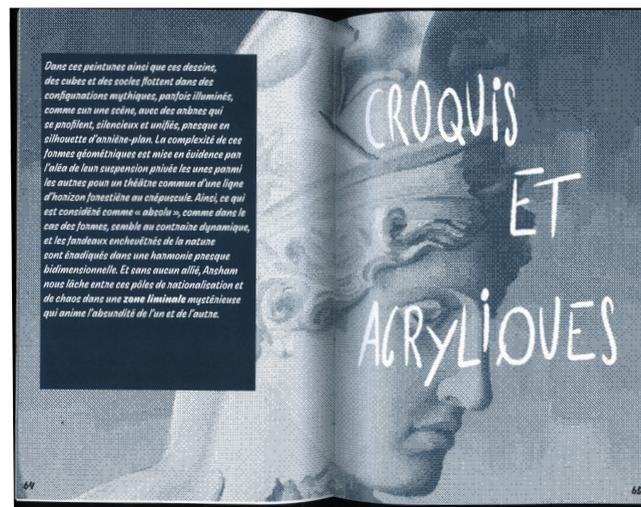

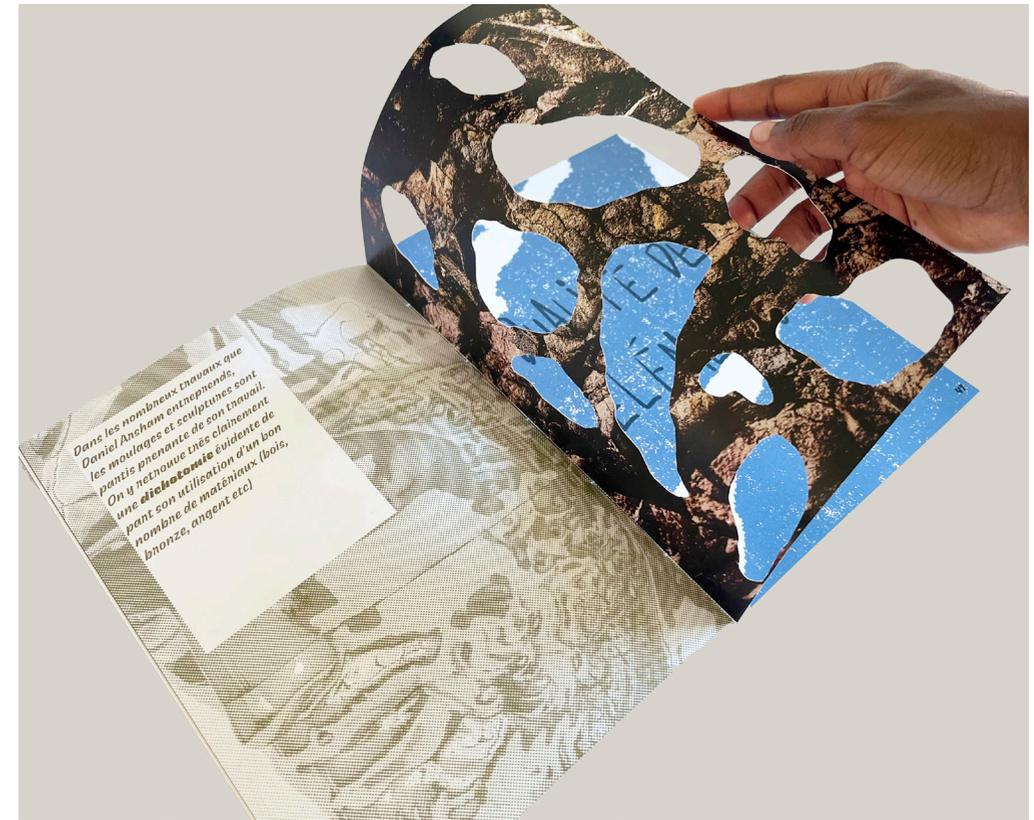

Card game 6.3 x 8.8 cm + boîte 6.8 x 8.9 x 3 cm
Sketches collection 10 x 15 cm

Artist book

Work on the artist's catalog, which traces a multitude of his works, always with the same idea of collaboration between my graphic vision and his works

catalog 20 x 29 cm 2024

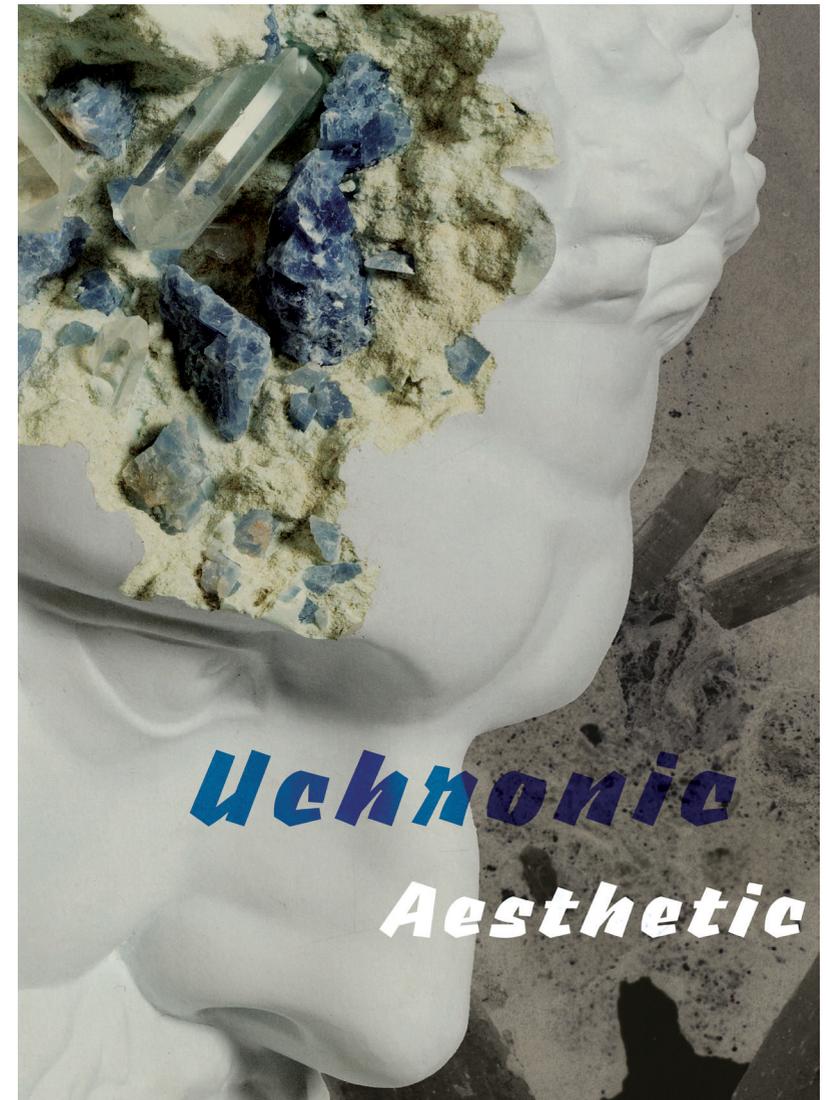

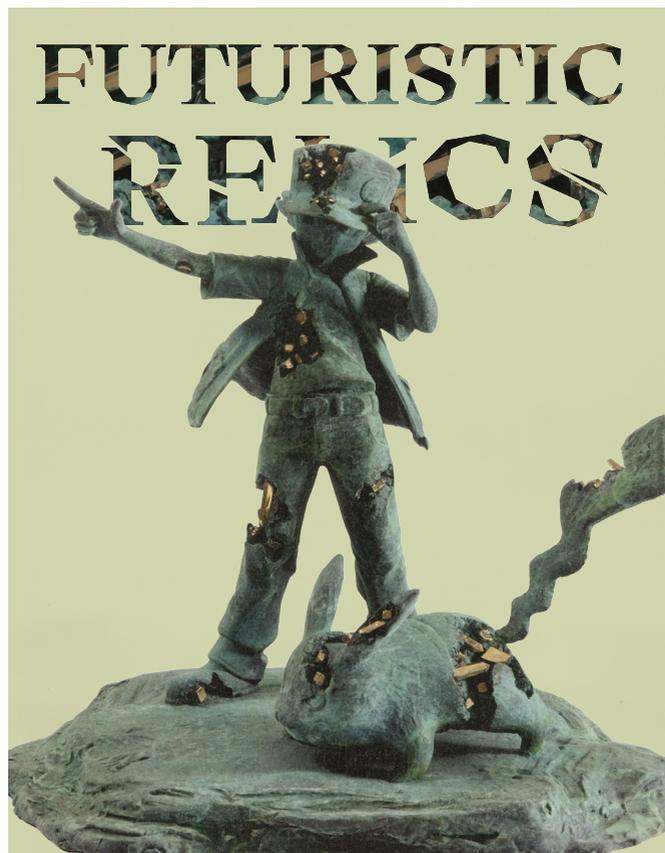

Artist posters

Alongside the box set, posters in the same artistic style accompany the box set. The aim was to exhibit this project once it was completed

Typographic review

Typographic review produced as part of a collection of works via the school's documentation. The issue of the review focuses on Japanese animation

2024

Review «Itineraire Graphique, L'animation japonaise» 21 x 29.7 cm

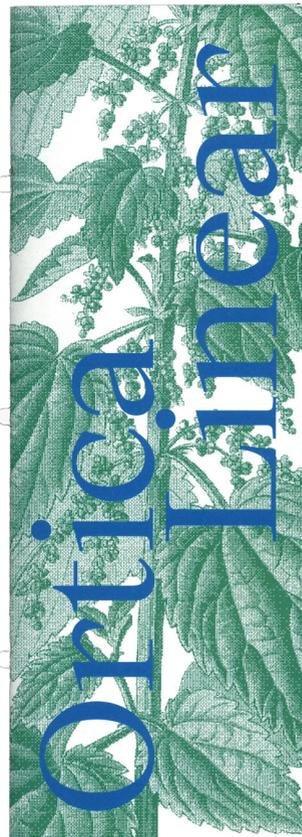

Typographic specimen

Creation of a typographic specimen to present the Ortica Linear typeface. To accompany this first specimen, an iconographic edition related to the typeface was also produced

2024

Specimen «Ortica Linear» 10.5 x 29.7 cm
«Hiking Guide» 10.5 x 29.7 cm

Graphic vocabulary

In this same work, the leaf prints were made using black paper and bleach: the leaves were pressed onto the paper to reveal their patterns.

Trees leaves, random dimensions

Pepinieriste / Herbierophiste

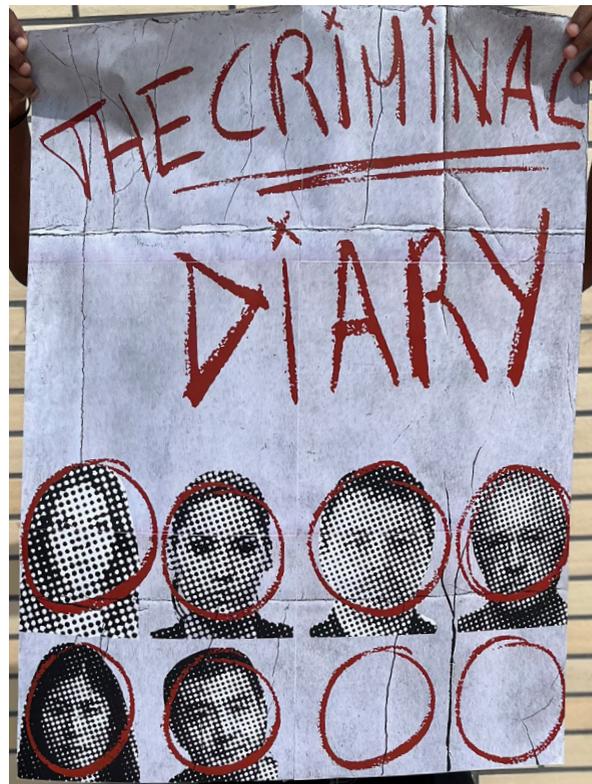

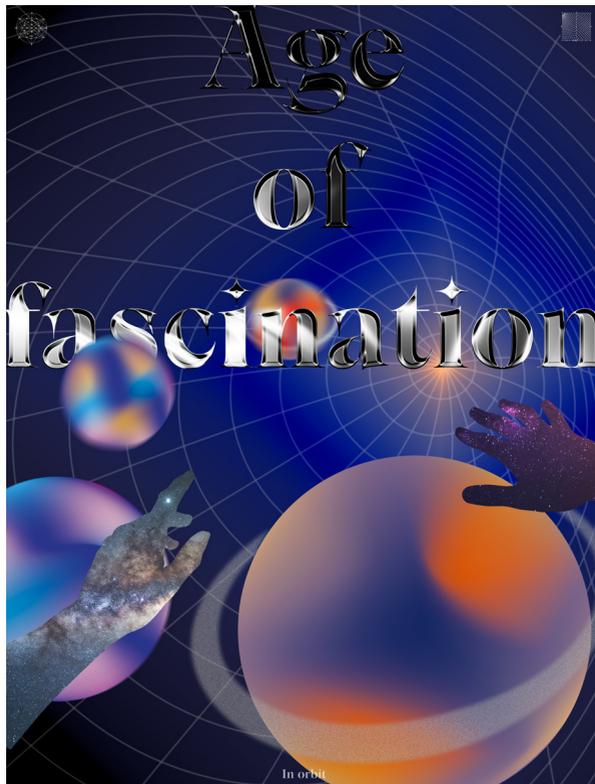

individu collectionnant feuilles, brindilles et fleurs séchées, pour pouvoir constituer par la suite un catalogue de la diversité des plantes. Une systématique est donc mise en place pour organiser au mieux les espèces ainsi que leurs liens de parenté entre toutes celles connues.

Political posters

Creation of various posters on several socially relevant and topical global issues: the destruction of the oceans, the rise of social media (TikTok), media misinformation, etc
